The Association for Informal Logic and Critical Thinking

The Association (AILACT) was formed in 1983 to promote research on, and teaching and testing of, informal logic and critical thinking at all levels; to increase the extent and quality of such research, teaching, and testing; and to facilitate discussion among its members. AILACT sponsors sessions at each APA divisional meeting and other meetings; has a Web site, <http://ailact.mcmaster.ca/>, that provides a wide variety of information about AILACT, informal logic, and critical thinking, and posts papers and other members' materials; has an e-mail discussion list for discussion of topics of interest to members; and holds an annual essay prize competition.
